**The Goods** – This charming creek front has it all! The deepwater dock and 96 feet of pristine shoreline on East Creek is sure to please any angler. A bright and sunny southern exposure guarantees lovely sunsets each evening from the waterside pool or the lovely sunroom overlooking one of Cutchogue's premier boating and docking creeks.

**Why it's a good deal** – Listing agent Sheila Izzo of North Fork Real Estate Inc. says, "The reason this lovely creek front is such a deal is first the setting, secondly how close the home and pool are to the water. You simply cannot replicate where the house and pool are situated on the lot. The pool is less than 50 feet from the water's edge. This is why the views are so stunning and why this is one of the North Fork's best deals!"
