Associate real estate broker Diane Becker and her husband, real estate salesperson Robert S. Becker have joined Town & Country Real Estate's Southampton Office as the Becker Team. Longtime Hamptons residents, the Beckers' strong client/customer relationships, and in-depth knowledge of the local real estate market have made the process of buying and selling a pleasurable experience for their buyers and sellers for decades. Whether it is providing a surveyor, home inspector, or visits to town hall they take the time to ensure the buying/selling process is a smooth transition."
