In accordance with our unique business plan, we have carefully selected these top-tiered directors for their market knowledge and industry experience, knowing that such depth in leadership is the cornerstone to the powerful foundation Town & Country is built on. Such scope is unparalleled by any other company and has raised the bar for all others.

Coupling this depth of knowledge and experience with Town & Country's expansive reach throughout the Hamptons, North Fork, Manhattan and worldwide, yields a most successful real estate experience for our customers, clients, and agents. Independence from any franchise or hyper-structured corporate culture enables us to think outside the box and affords us the flexibility it takes to achieve results.
