

Town & Country's 3rd Quarter Hamptons & North Fork Home Sales Reports

October 18, 2017

EAST HAMPTON, NY - Town & Country's 3rd Quarter home sales reports are available now for the Hamptons and North Fork Markets.

The 3rd Quarter, Hamptons Homes Sales Report, was akin to watching a collection of super balls bouncing in all different directions simultaneously. That said, analyzing, the data for these 3 months in this year to year comparison, yields some important insights.

The 3rd Quarter of 2017, for the North Fork markets at large, was a solid performer. In fact, all three criteria monitored by Town & Country increased significantly. Number of Home Sales were up 15%, Total Home Sales Volume increased 23% and Median Home Sales Price rose 22%.
