TOWN & COUNTRY NORTH FORK 4TH QUARTER 2017 HOME SALES REPORT

The last three months of 2017 were very strong for North Fork Home Sales. With the **N**umber of **H**ome **S**ales up nearly 20%, from 92 to 110 year over year, and **T**otal **H**ome **S**ales **V**olume up 13%, there's much to cheer about!

Looking further at **All North Fork Markets Combined** and we see the greatest statistical jump was in the \$1-\$1.99M price range which exploded by 71.4%. All told though 97 of the 110 **H**ome **S**ales occurred under a million and the **M**edian **H**ome **S**ales **P**rice for the 3rd Q 2017 was 531,500, slightly higher than 2016 same quarter.

Delving deeper into the statistics and you clearly see **Southold (which includes New Suffolk and Peconic)** is the best in class with a staggering 62% more in **N**umber of **H**ome **S**ales and 54% greater **T**otal **H**ome **S**ales **V**olume 2017 compared to 2016, 4th quarter, yet **M**edian **H**ome **S**ales **P**rice remained relatively stable.

Jamesport (which includes Aquebogue, Baiting Hollow and South Jamesport) performed incredibly well with 42% more Home Sales and 42% greater Total Home Sales Volume with the Median Home Sales Price up 23%!

Mattituck (which includes Laurel and Cutchogue) had the highest Median Home Sales Price of \$595,000.

Conversely **Orient (which includes East Marion and Greenport)** was a bit of an anchor with 13% fewer **H**ome **S**ales and a 23% drop in **T**otal **H**ome **S**ales **V**olume.

All in all the North Fork markets are gaining momentum. At **TOWN & COUNTRY** our North Fork offices are seeing the most sales activity in over the past 12 years!
