Jolly Folly

A two-acre Westhampton estate replete with decorative windmill and used as a backdrop in the film, *Rocket Gibraltar* starring **Burt Lancaster**, **Patricia Clarkson**, **Kevin Spacey**, and **Macaulay Culkin**, has hit the market. The stately 7,000 square-foot Beach Lane mansion was renovated in 2008 and features six bedrooms, six baths and two half baths. The upstairs master suite with balcony boasts two sets of French doors. Generously proportioned porches lead to a cabana, grand fireplace near the pool, and tennis court. Listed by Town & Country's Patrick Galway.
