

HAMPTONS REAL ESTATE SHOWCASE

RISING STARS

UP AND COMING HAMPTONS BROKERS

Staff Writer | October 15, 2018

Wendy Miller has always been interested in real estate, helping friends over the years buy and sell homes and apartments. Taking it a step further, she decorated and styled homes, helping friends see the potential to make a house a home. A few years ago, she found her own real estate project, purchasing an outdated ranch with much potential. Wendy transformed the house into a warm and inviting beach cottage.
