Real Estate Confab: What Are Your New Year's Resolutions?

Ty Wenzel | January 2, 2023

It's officially 2023 and many of us *resolve* to change an unwelcome trait or behavior, carry out a personal goal, or improve our attitudes at the beginning of a calendar year. The pandemic taught us what are our most coveted priorities: work/life balance and mental/physical health took the spotlight. JUDI DESIDERIO, TOWN & COUNTRY REAL ESTATE

Every year I make resolutions, and for the most part, I keep them. They are always designed to help me better myself, and in turn be better for those around me. As we walk through life, the journey is what it's all about. This year my New Year's resolution is to slow down just a bit. I tend to drive my life like I'm on the Autobahn in my favorite Aston Martin with James Bond as my passenger.
